

Cyfarwyddiadau Cardiau Brwydro Diwrnod y Llyfr

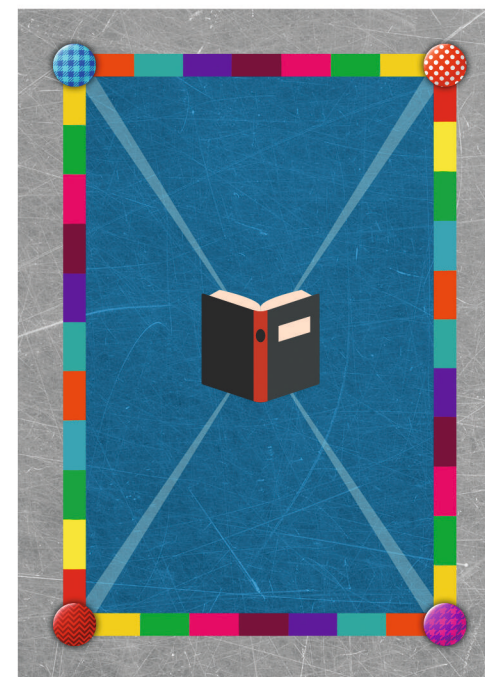

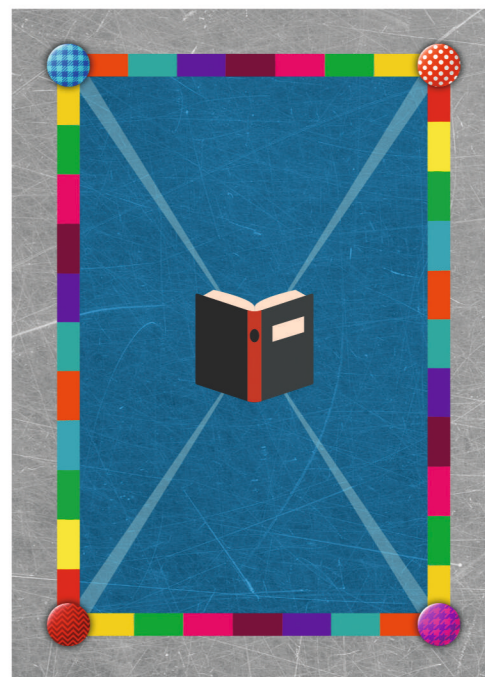

Sut i Chwarae:

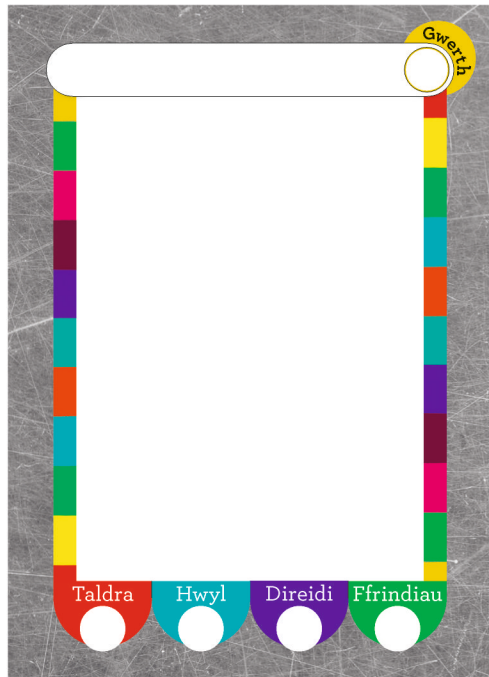

Gall unrhyw nifer o bobl chwarae.

- 1) Cymysgwch y cardiau, a'u rhannu i gyd rhwng y chwaraewyr. Gall y chwaraewyr ddim ond edrych ar y cerdyn sydd ar ben eu pentwr.
- 2) Y chwaraewr i'r chwith o'r deliwr sy'n dechrau.
- 3) Darllenwch sgôr o'r cerdyn uchaf (e.e. Ffrindiau 98). Yna, mae'r chwaraewyr eraill yn darllen yr un sgôr o'u cerdyn uchaf.
- 4) Os mai chi sydd â'r gwerth uchaf, chi sydd yn ennill y rownd honno. Cymerwch yr holl gardiau uchaf, gan gynnwys eich cerdyn chi, a'u rhoi ar waelod eich pentwr.
- 5) Eich tro chi yw dewis sgôr o'r cerdyn nesaf.
- 6) Os oes gan ddau neu fwy o gardiau yr un gwerth gorau, mae'r holl gardiau o'r rownd honno'n cael eu gosod yn y canol ac rydych chi'n darllen yr un sgôr o'ch cerdyn nesaf. Mae enillydd y rownd hon yn mynd â'r cardiau osodwyd yn y canol hefyd.
- 7) Mae'r chwaraewr sydd â'r holl gardiau ar y diwedd yn ennill y gêm!

Dymuna Cyngor Llyfrau Cymru gydnabod cefnogaeth y cyhoeddwyr, awduron, darlunwyr a'r partneriaid, a diolch iddynt am eu caniatâd i ddefnyddio'u delweddau yn y pecyn hwn.

The Books Council of Wales wish to acknowledge the support of publishers, authors, illustrators and partners, and thank them for granting permission to use their images as part of this pack.

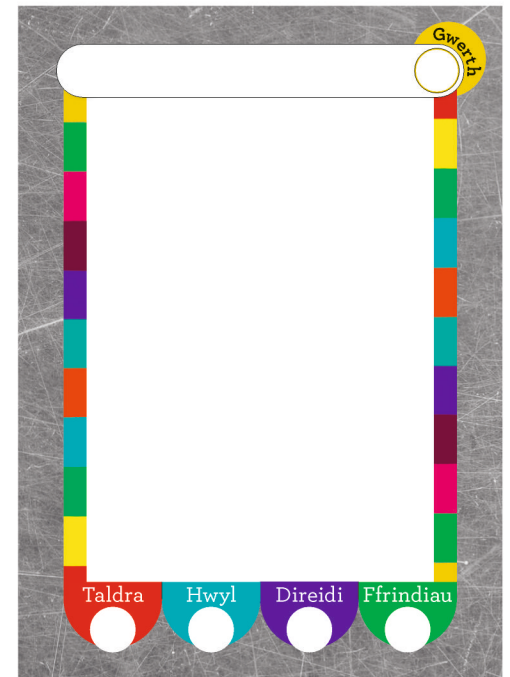

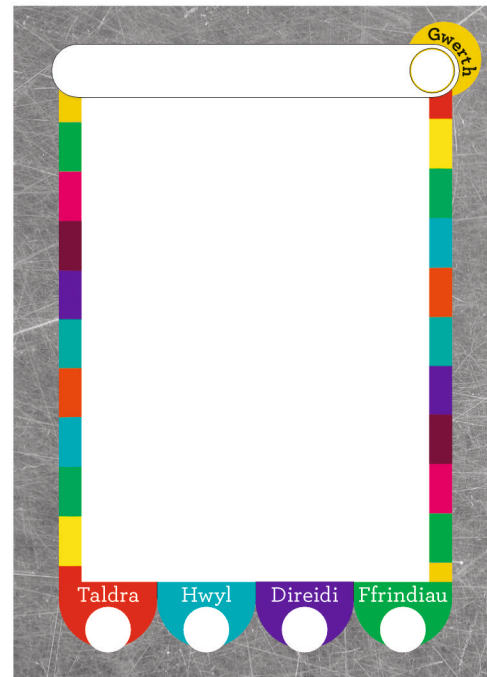

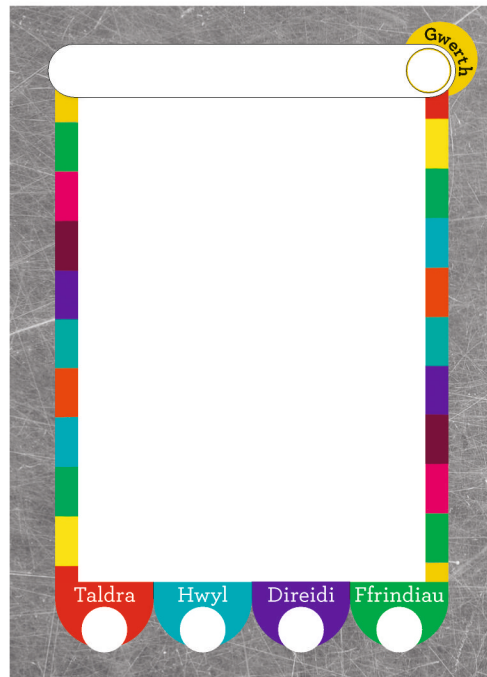

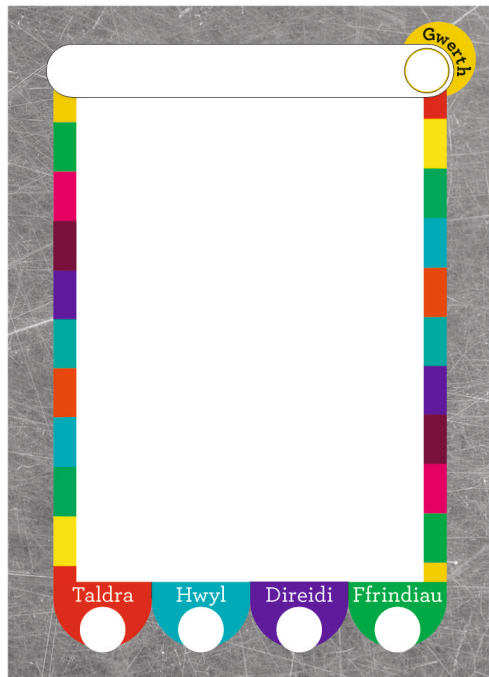

**Score categories:
Categoriâu sgoriau:**

Taldra = Height
Hwyl = Fun
Direidi = Mischief
Ffrindiau = Friends
Gwerth = Value

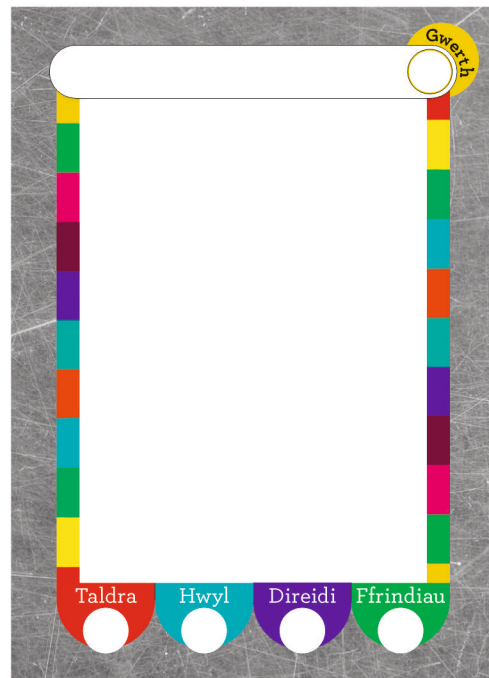

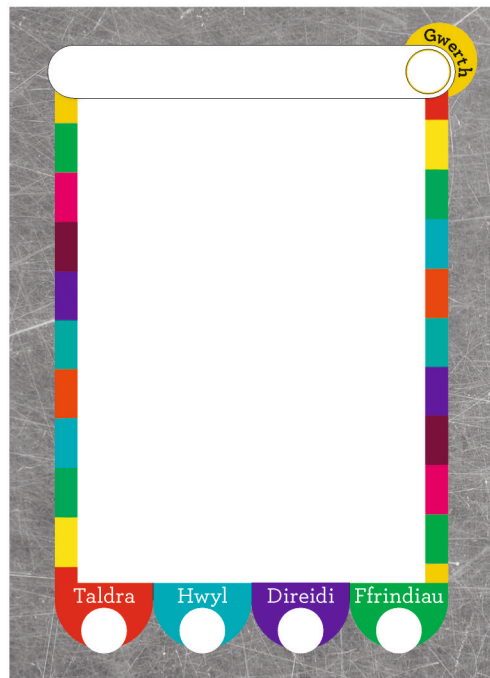

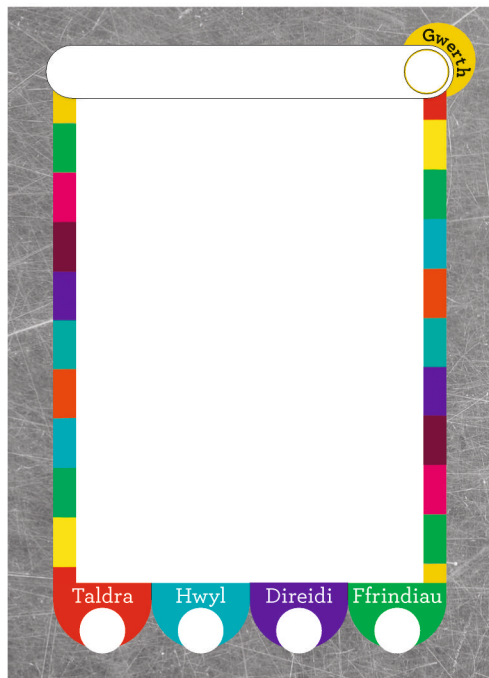

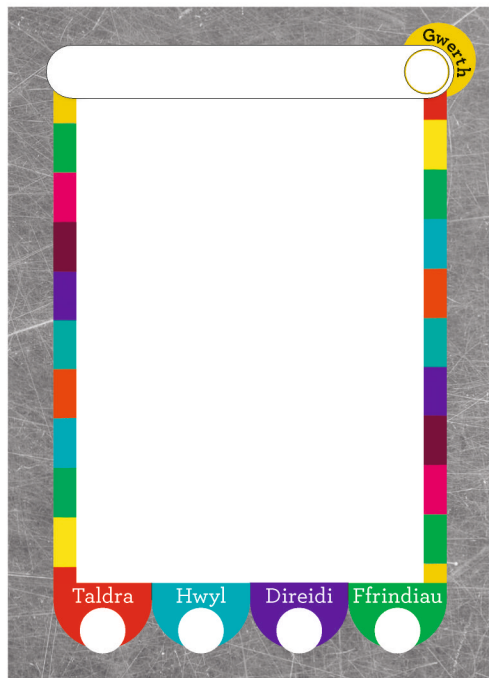

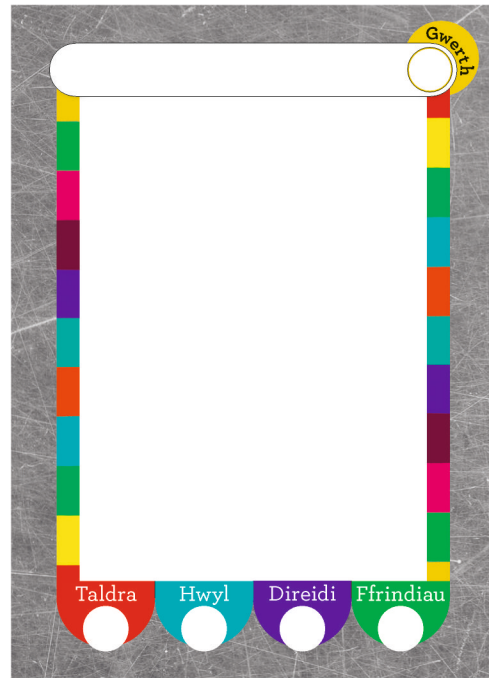

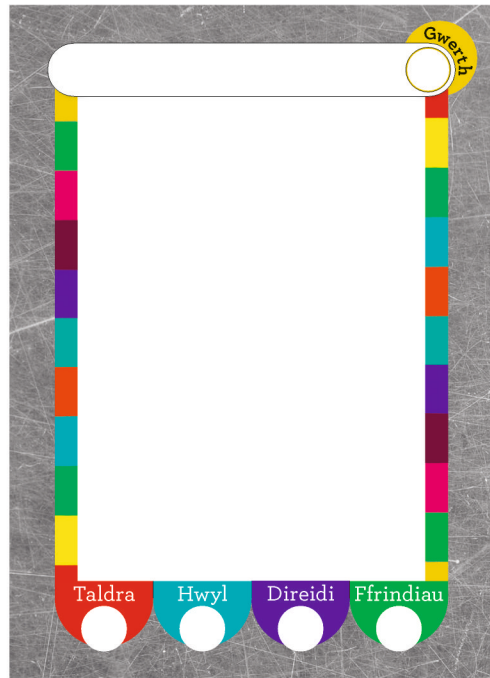

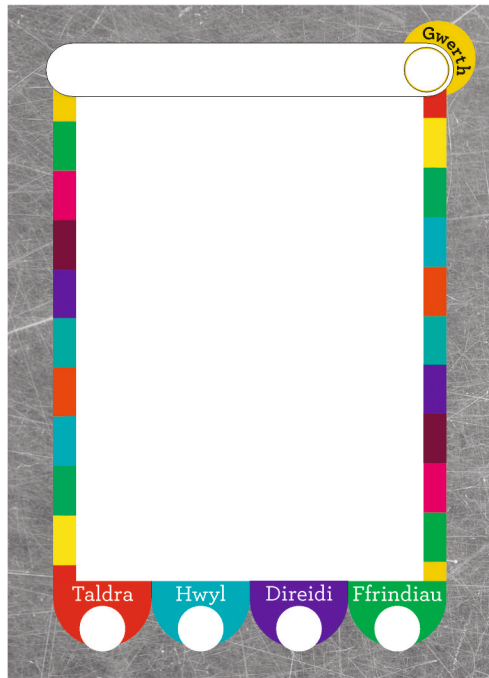

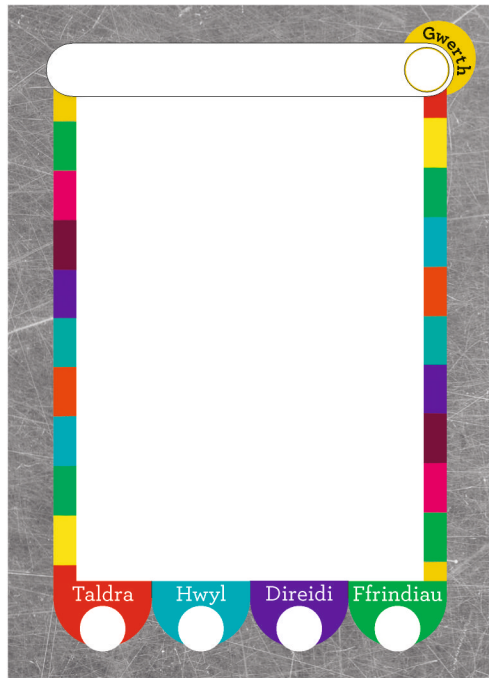

World Book Day Top Trumps Instructions

How to Play:
Any number of people can play.

- 1) Mix up the cards and share them all between the players. The players can only look at the card that is on the top of their stack.
- 2) The player to the dealer's left starts.
- 3) Read out a score from the top card (e.g. Friends 98). The other players then read out the same score from their top card.
- 4) If you have the highest value, you win that round. Take all the top cards, including your own, and put them at the bottom of your deck.
- 5) It's your turn to choose a score from the next card.
- 6) If two or more cards share the best value, then all the cards are placed in the middle and you read out the same score from your next card. The winner of this round takes the cards in the middle as well.
- 7) The person with all the cards at the end wins the game!
