MAKE A SKULL MASK

You will need: Paper, glue, cardboard, scissors, coloured pencils, string

 www.rily.co.uk

 @RilyBooks    @rilypublications

STEP 1

Print the first page on a piece of A4 paper, or draw your own mask.

STEP 2

Glue the paper to a piece of cardboard. (Another piece of thick paper will also work!)

STEP 3

With an adult's help, carefully cut out the mask with a pair of scissors. Remember to cut out some holes for the eyes too.

STEP 4

Use coloured pencils to decorate your mask with lovely patterns and shapes.

STEP 5

Make little holes either side of the mask and loop a piece of string through them.
