

# Where are you Bwci Bo? activity sheet

## Bwci Bo Bingo

Bring your own monster to life!

### Instructions:

1. Over the summer as you're outside and exploring with friends and family, take your Bwci Bo bingo sheet with you to see if you can spot anything.
2. Once you've found an item on your bingo sheet, cross it off and take your nature item home with you.
3. Once you have crossed off and collected all (or most) of the nature items\* on your sheet, you can create your own Bwci Bo monster.
4. Use your newfound nature items to create the face, eyes, nose, mouth and body parts of a cheeky little Bwci Bo monster!

\*Please be careful and adhere to UK Laws around picking flowers, more details can be found here.
